### *School Crest*

During the 1959-'60 school year, the Student Council sponsored a contest to select a crest for Macon High School. Designed by Bill Ed Yates, this crest symbolizes the pride and devotion we at Macon feel for our high school. May it ever serve to remind us of the things we learned, the fun we had, and the friends we made as loyal Tiger defenders.

# Code of Honor

The honor of Macon High School lies in the keeping of its students. Every student owes a debt of gratitude to his school, which he repays by loyalty and honor to it in every respect.

Thus the ideal student obeys its rules and regulations, supports its activities, respects its teachers, and cooperates with his fellow students; he guards against unnecessary absences and tardies. He strives to keep himself morally, mentally, and physically fit, thereby making Macon High school an acknowledged shrine of education second to none in its standards and rating.

# "The Orange and The Black"

Although Yale has always favored the violet's dark blue,  
And the gentle sons of Harvard to the crimson rose are true,  
We will own the lilies slender, nor honor shall they lack  
While the Tiger stands defender of the Orange and the Black.

Through the four long years of high school, midst the scenes we know so well,  
As the mystic charms of knowledge, we vainly seek to spell;  
Or we win athletic victories on football field or track,  
Still we work for dear old Macon and the Orange and the Black.

When the cares of life o'ertake us, mingling fast our locks with gray,  
Should our dearest hopes betray us, false fortune fall our way,  
Still we banish care and sadness, as we turn our memories back,  
And recall those days of gladness 'neath the Orange and the Black.

As we stroll down Memory's Lane  
and think of Macon High.

*And sing the songs we used to sing  
In school days now gone by*

Day

We live again those pleasant hours  
And cherish every one;

*We laugh at things we used to do;  
The many things we've done.*

*And of that day, our Senior year,  
We turned to say good-bye,*

*The memories we now relive  
are all of Macon High.*

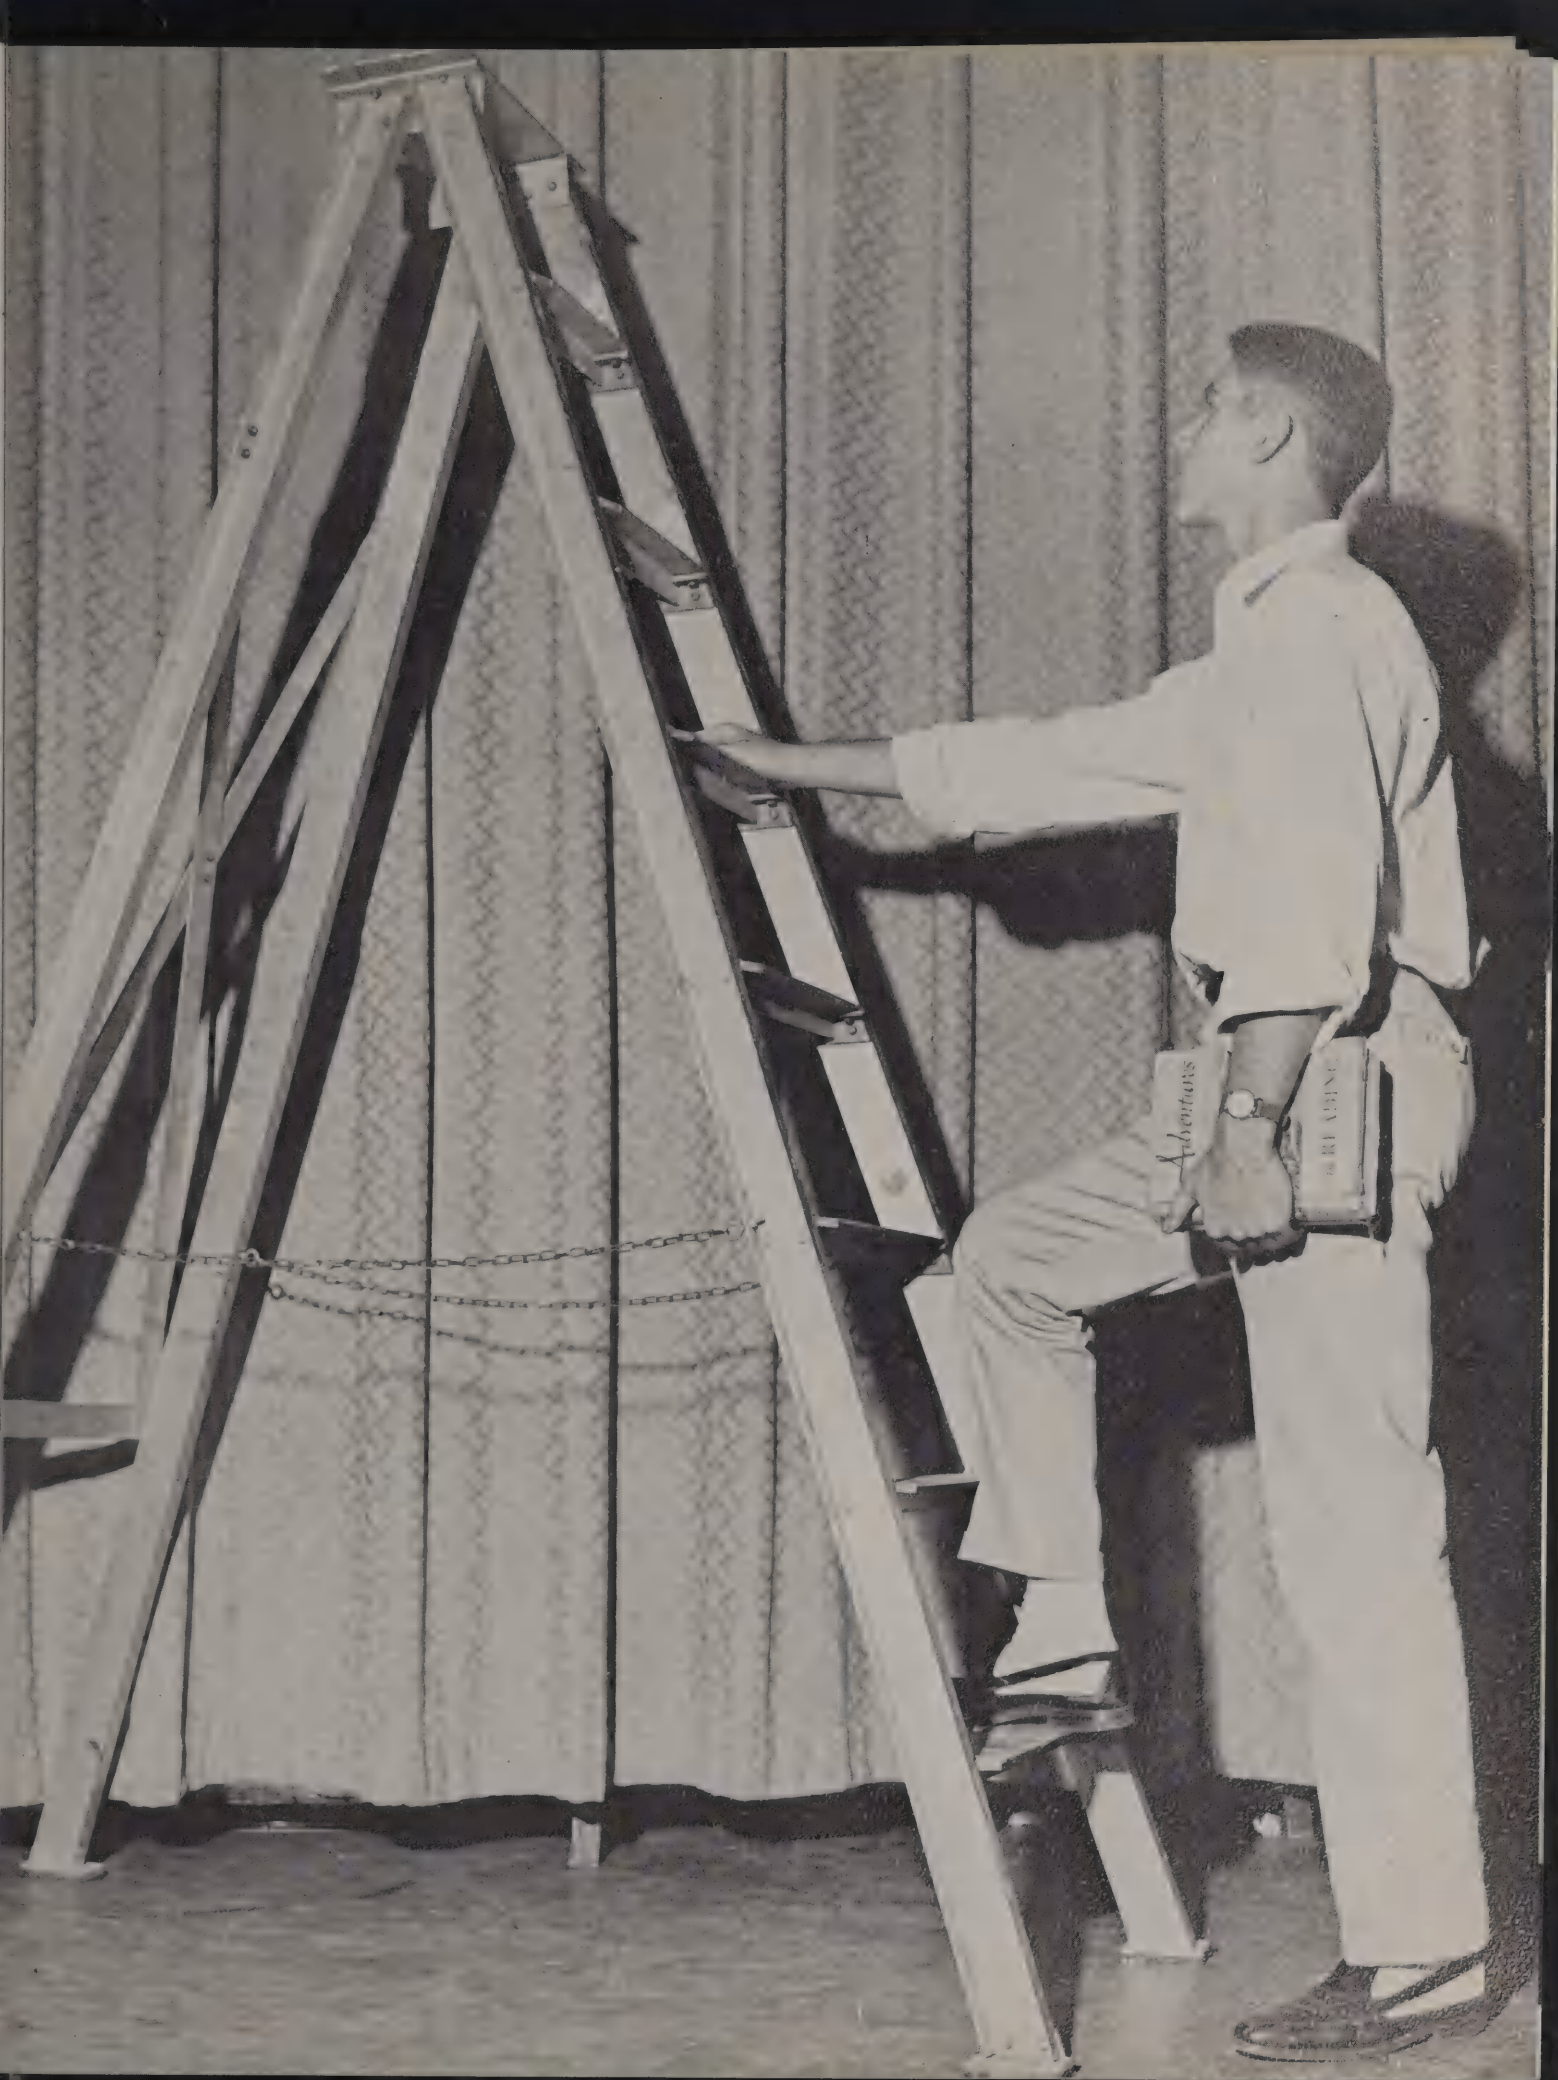

"SUCCESS IS NOT GAINED BY A SINGLE BOUND,  
WE MOUNT TO ITS SUMMIT ROUND BY ROUND;  
FROM THE LOWLY EARTH TO THE VAULTED SKIES,  
WE BUILD THE LADDER BY WHICH WE RISE."

We, the Freshman class of 1961, entered the portals of Macon High on September 3, 1960, as green Freshmen. However, we soon gained our courage and elected as our class officers: Dick Carter, President; Richard Fuller, Vice-President; and Sara Bram, Secretary-Treasurer. As our class colors we chose lavender and white, which we used in our float, entitled "It All Adds Up to Victory," in the Homecoming Parade. Our class chose as its queen Miss Ann White, who also made an appearance in the parade.

We, as Freshmen, are on the first rung of the ladder by which we rise to success. We see our President, Dick Carter, starting to ascend the ladder as he realizes that "Success is not reached in a single bound, we mount its summit round by round; from the lowly earth to the vaulted skies, we build the ladder by which we rise."

When we first entered school  
this fall,  
We wondered what the students  
would think of us all,  
We knew the thing we first had to  
face  
Was to get acquainted with this  
strange new place.  
We wandered the halls from class  
to class,  
Not sure if we needed a corridor  
pass.  
But we know that this year will  
go quickly by  
And end our Freshman year at  
old Macon High.

## *Sophomore Class History*

Our class members entered Macon High early in September of 1959. Our first class officers were elected and we began our long four years of study and pleasure in Macon High. As the officers of the class we chose Tony di Varmo as President, Gary Cox as Vice-President, and Janie Ruth as our Secretary-Treasurer. Shortly afterward, we elected our officers to the Student-Council. They were Elaine Angelo, Ruth Resinger, Vicki Glenn, and Richard Bunton.

In October came the Homecoming Ceremonies. In the Annual Homecoming Parade we entered the unique float entitled "Duz We Beat 'Em, Vel We Must, The Tide Will Turn, Cause Lux With Us." Nicki Taylor was chosen to be our Queen of the Freshman Class, while Margaret Lott was chosen as the Freshman Attendant to the Homecoming Queen. Our first year in Macon High School was a successful one, and one that we can be proud of.

The fall of 1960 brought us back to the Halls of Macon High--Sophomores. The experience we gained as Freshmen was now to help us in our future years of high school. We chose as our class officers Gary Cox as President; Raymond Blodgett, Vice-President; and Elizabeth Ford, Secretary-Treasurer. We again entered a float in the Homecoming Parade, this one entitled "Let's Boil the Midgets." Carol Whitley was made Sophomore Queen, and Mara Arnold was our attendant in the Homecoming Ceremonies. Our student Council Representatives for the year were Ruth Resinger, Mary Roebuck, Dawn Roemer, and Tony di Varmo, all of whom did a fine job on the council.

We had another successful year at Macon High School, and we have moved further up the ladder to graduation and to even loftier success. On the opposite page we see the Sophomore class president Gary Cox taking a step forward and upward on that ladder. As we look at this picture, let us remember that success is not reached in a single bound and that we do and will have to work for that success now and in the future. We must build the ladder by which we rise, and the construction of that ladder is not easy by any means. We spend our lifetime striving for the top; some of us to reach it; some of us to not.

### REMINISCENCE vs. PREDICTION

*by RR*

Our four years in high school seem to go so fast,  
All the good times we have, if they could only last!  
Last year we were Freshmen, and we'll soon be Juniors now.  
Where have all the days gone? Where, and when, and how?

We entered high school last year, perhaps a bit afraid.  
I guess that we survived, though, 'cause most of us have stayed!  
We have the largest class, and we like to think we're best,  
We say, "We're first in everything, and that's the real test!"

And as we form new memories, and old ones start to fade,  
(Particularly the bad ones, like low grades we have made,)  
We look forward to the future, and think of our next year;  
We begin to think of college, and starting a career.

Yes, we're eager to be Juniors, and Seniors most of all,  
But when we've graduated, and old memories we recall,  
We'll think about the things we've done; perhaps we'll shed a tear,  
But there's one sure thing we won't forget, and that's our Sophomore year.

## *Junior History*

In September 1958, we came upon the first step of the ladder--as "wide-eyed" Freshmen. We elected for our class officers: Ivan Pagett, President; Nancy Freeman, Vice-President; Margery Wilson, Secretary-Treasurer. Shirley Hayes was chosen to reign over us as Class Queen. For our representatives in the Student Council we selected Vicki Winn, Dana Badgerow, and Martha Bram. Homecoming was a big event during our first year in high school. We built a float, "Blast Off to Victory," in our class colors of royal blue and white; and chose Nancy Freeman to serve as attendant to the Homecoming Queen.

We reached the second step of the ladder in the fall of 1959 and elected the following officers: Jim Wadlin, President; Kenny Duncan, Vice-President; Sharon Bolling, Secretary; and Faith Altheide, Treasurer. We selected Pat Hartung as our Class Queen and Wanda Sandner as Homecoming Attendant. We entered a float, "Rip 'Em Up," in the Homecoming Parade. We also elected the following to serve as Student Council Representatives: Pat Hartung, Nancy Freeman, Jim Wadlin, and William Romjue.

Last fall we climbed to the third step. Leading us were our class officers--Kenny Duncan, President; Sharon Bolling, Vice-President; Linda Blackstun, Secretary; and KOLEEN DAY, Treasurer. We chose Faye Walker as our Class Queen and Vicki Winn as Homecoming Attendant. Our entry in the parade was "Wings of Victory," which was decorated in our class colors of blue and silver. Serving on the Student Council as Junior Representatives are Pat Hartung, Sharon Bolling, Jack Carey, Margaret Green, and Jim Wadlin.

Now we are eagerly awaiting our return next fall, when we will rise to the final step of the high school ladder!

We are members of the junior class.  
We're loyal to M.H.S., every lad and lass.  
We were proud of our float, silver and blue,  
Our homecoming attendant and class queen, too.

From the junior class of sixty-one  
The new student body officers will come.  
We go to all our games to cheer  
The athletes that we hold so dear.

Some of us play in the band  
Which we consider the best in the land.  
Still other members choose to sing  
More honor to our school they bring.

Now at last we can type our studies  
And write notes in shorthand to our buddies.  
We have studied hard the whole year through.  
Our books are worn but the knowledge is new.

We've come a long way since our freshman days.  
We've grown a lot and changed many of our ways.  
With the help of our teachers, always so near,  
We will be prepared for our senior year.

We took the first step on the ladder to success when we entered Macon High School in 1957--frightened Freshmen, even though we were 114 strong. Our first class officers were: Claire Wray, President; Tommy Sneed, Vice-President; Betty Wolfe, Secretary; and Jerry Joiner, Treasurer. We selected Pat Oberto as our Freshman Queen and Deanna Maddy as our attendant to the Homecoming Queen. Using our class colors, blue and white, we entered a float in the Homecoming Parade. Our Student Council Representatives were Trell Foster, Bill Ed Yates, and Jack Ford.

Returning in 1958 as 101 confident Sophomores, we mounted the second step of the ladder and elected the following officers: Ronald Bentele, President; Donald Cheever, Vice-President; Cheryl Christianson, Secretary; and Linda Luther, Treasurer. Our Student Council Representatives were Trell Foster, Don Cheever, Lana Smith, and Ronnie Switzer. We chose Lana Smith as our Class Queen and Betty Lenzini as our Homecoming Attendant. Much to our pride and joy, our float, "Let's Send the Bulldogs to the Moon," done in our class colors of pink and white, placed second in the Homecoming Parade.

We struggled to the third step of the ladder and found ourselves 104 jubilant Juniors--upper-classmen at last. We elected as class officers--Don Cheever, President; Trell Foster, Vice-President; Mary Ann Perino, Secretary; and Pat Oberto, Treasurer. Representing our class in the Student Council were Jerry Joiner, Betty Lenzini, Mary Ann Perino, Trell Foster, and Linda Luther. Deanna Maddy reigned as Class Queen and Mary Ann Perino was our attendant to the Homecoming Queen. Our float, entered in the Homecoming Parade and done in our class colors of brown and yellow, was entitled "Let's Tame the Wildcats." Naturally, the highlight of our Junior year was the Seventh Annual All-Night Prom, "Cinderella Ball."

Now, in 1961, we have risen to dignified Seniors!!! Directing the affairs of our class are Ronald Bentele, President; Scott Phillips, Vice-President; Lana Arnold, Secretary; and Mary Ann Perino, Treasurer. Our Student Council Representatives are Trell Foster, Bonita Bradshaw, Ronnie Switzer, Scott Phillips, and Lana Arnold. We chose Betty Wolfe as our Class Queen. Lana Arnold reigned as Homecoming Queen, attended by Lana Smith and Deanna Maddy. Our float, "We're Going to Bloom Out Tonight," featured our class flower, the red rose. Judy Teter honored our class by being elected Barnwarmin' Queen. At the Harvest Dance, "It Happened on a Fall Night," which was sponsored by us, Mary Ann Perino and Ronnie Switzer were crowned Miss and Mr. M.H.S.

Now that we have arrived at the final step on the high school ladder, we realize that it is only the first step on the ladder to success. For . . . .

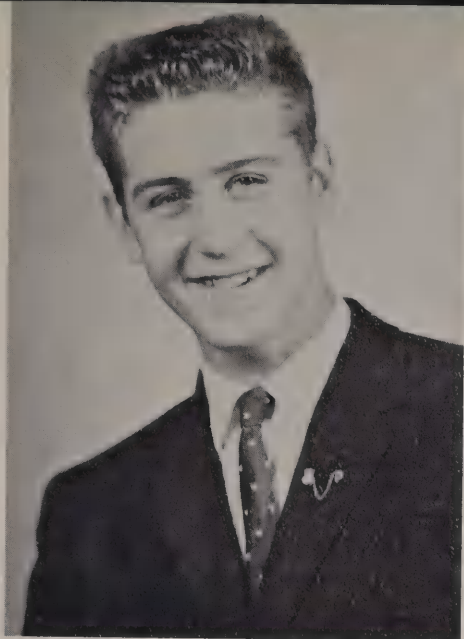

"SUCCESS IS NOT GAINED BY A SINGLE BOUND,

Seniors at last!

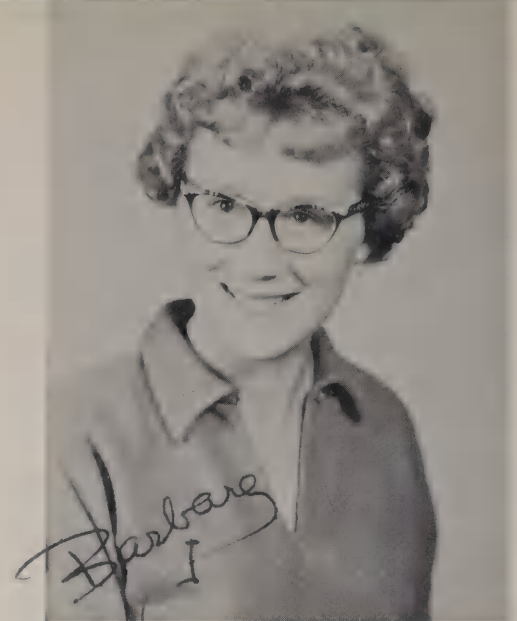

Four long years of struggle, toil, and strife,  
And now we're almost ready  
To step out into life!

Once, we were Freshmen.  
That first year was a fright!  
Study, never show you're scared,  
And try to do things right.

Then we were Sophomores,  
One step farther on our way,  
Getting in the swing of things,  
Taking part more day by day.

Next we were Juniors--  
Working hard, but having fun,  
Looking forward to our last year--  
More good times to come!

Proud Seniors now,  
Much wiser, with many friendships dear,  
Our high school days are over--  
Where do we go from here?

## *Homecoming Festivities*

The student body chose charming Miss Lana Arnold to reign over Homecoming Festivities. Our queen is the daughter of Mr. and Mrs. Oliver Arnold, and was born May 6, 1944, in Macon, Missouri, where she has lived her entire life. She has been a participant in a wide range of school activities--a member of Band for four years, serving as Majorette her Senior year, a member of Pep Squad her Freshman year and G.A.A. her Sophomore year. This year she is a member of F.H.A., and is a Student Council representative.

Lana's attendants were: Lana Smith and Deanna Maddy, Seniors; Vicki Winn, Junior; Mara Arnold, Sophomore; and Connie Ronchetto, Freshman. They reigned over all the Homecoming activities. First was the Snake Dance and Pep Rally, arousing enthusiasm for the big day to come. The Homecoming Parade, led by Lana and her attendants, included the Band, floats from every class, and the Class Queens.

At the regular Homecoming Game, with Unionville, the Queen and her attendants were presented in the halftime ceremony. Lana was crowned and given a beautiful bouquet of roses and the Homecoming trophy. After a hard-fought battle, which the Tigers lost, the Homecoming Dance was held, at which the Homecoming Queen and her attendants were presented with bracelets.

Thus the 1960-61 Homecoming Festivities drew to a successful close.

# MACON 21      KIRKSVILLE 6

The Tigers played Kirksville a losing game statistics wise. Although the Kirksville Tigers controlled the ball much of the game the Macon Tigers did all the scoring. The most spectacular play of the game was a kick-off return by Clarence Walker for 74 yards for a touchdown. Again a lot of the Tiger reserves saw action.

# MACON 19      CENTRALIA 6

The Macon Tigers met the Centralia Panthers on their home field for the last game of the season. This game could decide whether or not the 1960-1961 season would be a success. For 13 senior boys it was their last game on the gridiron in defense of the Tiger and they did so very well. Even though Centralia was the Quint City conference champions the Tigers cooled them off easily. The Tigers finished the season with 8 wins and 2 losses.

You're a real sweet girl and I have really enjoyed  
 being in 5<sup>th</sup> with you. I still think it  
 is funny because both of us got into the same class.  
 I just don't know how we did it. But the year has  
 almost past and I will soon be a big senior and you  
 will be a junior. I hope you will have as much fun  
 this year as I have had. If I know you, you will.  
 Stay sweet and good with the other boys. Please stay  
 as cute and as sweet as you are. I know  
 you will be sure to go far in life. I have also enjoyed  
 being a senior. I hope you will really have to have to  
 go out there. Be back and stay sweet. Keep  
 me as always friends. Don't work too hard next  
 year. If you ask anywhere you will have to.

"Mr. Buckner"  
 I thoroughly enjoyed having you as  
 a student here. May you go  
 on in this world and in the next  
 your other tracks  
 Mr. Spivey

We, the members of Macon High School, are grateful to the people of the city of Macon, who have made an earnest effort toward the advancement of learning in our schools.

Our extreme gratitude also goes to the merchants of our city, who have proved by their advertising in this book that they have faith and confidence in us, the future leaders of America.

*Marsha,*  
 Please don't break up with John. He really likes you. We talk about you in Study Hall all the time. What he wrote in my year book happened along time ago and means nothing to either of us. I like you very much and I couldn't wait to be the one to come between you and John. Remember Study Hall and English II. We've had fun and I don't want to lose your friendship. Please - Love ya David Ruth

Well Pal, we're almost finished as  
sophomores. We've really had a blast haven't we?  
Remember all the silly stuff we've done  
together. Like hiking Macon Bowl around the lake, and  
those N.S.D.P. meetings. (Rat, lizard, mouse and mite)

I hope we can always be the best of friends.  
You're gobs of fun, and I have really enjoyed  
knowing you. (Honest now!)  
You'll never have to worry about friends  
because you're the kind of person that is blessed  
with many.

Stay as you are, Keep smiling, be good  
to John \_\_\_\_\_ and Remember our Sophomore year  
and all the fun that we've had - and  
mischievous we've gotten into.

To you the bestest  
always,  
Marsha

Barbara,

I can truly say we have had  
 a lot of fun together.  
 at the Prostop. I will never  
 forget all the times I

I wish you and John all

WOULD THE TIGER STOP SNARLING IF .....

Don Cheever didn't look self-conscious when he walked.  
Scott Phillips said, "Vote Republican."  
The majorettes didn't worry.  
Mrs. Fergason couldn't type.  
The cheerleaders knew what they were going to do in a pep assembly ahead of time.  
Mr. Welch didn't know what he was talking about.  
Karen White didn't know anything about the World Series.  
The Student Council meetings started on time.  
Roberta Powell had never heard of a piano.  
Claymore Needham switched to fullback.  
No one said a word between classes.  
Jerry Kelly used proper English.

Dear Mucha, Perkins, I think those will double dates are nothing but paper. I have all in favor of designing some N.S.P.P. meetings. Those things can't be a triple date with future disastrous, yes. I know!!!? Some day (when I can go to Fayette and have a whole country would miss you) I can go to your month. I have a funny story with Lee. I think I can't forget that. I was always a German from the bridge. (Some fun) I entered you sessions at Robert's. I was always a scout

Kelly Leave us face it we've had some great times this year. and little club meetings. scout meeting and

Best of luck.  
in the school  
and in its future

Martha -  
Best of luck to a real  
sweet girl who is always  
having fun. Keep it up. By  
the way, you should  
be teaching Sidra  
all of those awful things (Ha)  
Martha

Dear Boo Bee!  
Hell we're almost  
through our Sophomore  
year! Yay! I didn't think  
you would make it. After my  
ruined pair of hose and the punched  
I received I still survived. I got in  
more trouble with that greaser than anyone  
could dream 1st hour, 2nd hour but now Mrs A is at  
just because you screamed happy I didn't pour the  
heart smiling. You should be happy I didn't pour the  
whole bottle. I don't think you as the "little newspaper"  
time will I forget you both make a cute  
couple. And he is real sweet. Kind lovable.  
Person. I hope you will be hearing wedding  
bells soon! Just because you can stand on  
your head that gives you no reason to think  
you are a pe! (he more I think of it the  
more I realize I have almost been tortured  
to death! I almost forgot about "Dads"  
Christian Anderson" he still gets around you  
know and gets around fast, believe me  
I know from experience.  
Hope you will live with  
Love ya (quinn)  
John forever
